| Sattlerhof (Sudsteiermark) | | | | |
| Sattlerhof is recognised as Austria's top Sauvignon Blanc producer . Rated 5 stars by Falstaff , Sattlerhof is famous among wine professionals in Europe, Scandinavian and the U.S. Their wines are always highly rated (above 90 points Falstaff). If you are looking for great value Sauvignon Blanc, good purity of fruits and freshness (due to the high altitude vineyards) and wines to impress any wine lovers, try these. How does it compare with NZ sauvignon blanc? This is definitely more elegant, subtle, pure, refreshing yet with excellent intensity and displays favourable varietal characters. | | | | |
| 1 | Vom Sand Sauvignon Blanc | 2014 | 38 | Their best selling Sauvignon in Austria and the U.S. Sand refers to the sandstone soil which these vines are grown. Fresh and fine fruits even at this level. Guava, passion fruit backed by pleasant acidity. Lemon peel and juicy finish. |
| 2 | Gamlitzer Sauvignon Blanc | 2014 | 45 | Village quality level. Very good and incredible actually at this price. You will be hard pressed to find another Sauvignon Blanc of the same quality at this price! Highly recommended and must try! Great on its own or with light cuisine or starters. |
| 3 | " " " | 2013 | 48 | Falstaff 91/100 |
| 4 | Gamlitzer Morillon | 2013 | 50 | In Austria, especially in the Styria region, Chardonnay is traditionally referred to as Morillon. Fermented and aged in stainless steel, this is as fresh as you would expect. Good expression of unoaked Chardonnay - fresh apricot, ripe apples and pear, ripe grapefruit. Amazing balance and length for this price! Good on its own or with pasta. Drink now till 2018. Limited Falstaff 91/100! |
| 5 | Sernauberg Sauvignon Blanc (1er Cru) | 2014 | 58 | No, we are not joking. This is only \$58 for an Erste Lage (1er Cru) quality and an organically grown white! This is a south east facing vineyard with steep slopes grown at around 380m altitude. It's not only well priced by very good. What do you think we jumped at the opportunity to import Sattlerhof. Now, every other day can be a 1er Cru day! |
| 6 | " " " " | 2013 | 60 | Falstaff (90-93) |
| 7 | Kranachberg Sauvignon Blanc (Grand Cru) | 2013 | 80 | Again, extremely modest price given the quality . This Grosse Lage (Grand Cru) vineyard is located on a hill of about 580m in altitude! Given that Sattlerhof's total vineyard holding is only 35 hectares, you can imagine the limited quantities produced here. Fermented in part stainless steel and part large old oak vat, this is aged on lees as long as possible. Full bodied and intense and ripe Sauvignon with great potential for ageing and complexity. Would do very well with seafood. Drink now till at least 2025. Limited! Falstaff 94/100 . |
| 8 | " " " " | 2012 | 83 | Falstaff 94/100 |
| 9 | Pfarweingarten Morillon (Grand Cru) | 2013 | 85 | Chardonnay from Grand Cru vineyard Pfarweingarten. Full bodied and complex. Falstaff (95-97/100). What a steal at this price! |

| <p>Wieninger (Wien) - <i>biodynamic and organic certified</i></p> <p><i>The name "Wieninger" actually means "Man from Vienna" and anyone who carries this name in this grand city is obliged to give his very best. And this, Fritz Wieninger does with superlative style and has long been the indisputable top producer in the city.</i> Falstaff Austrian Wine Guide. Wieninger's fame in making world class Pinot Noir is known not only in Austria and Europe but also among the professionals in the world, including Singapore. He made headlines when his Pinot Noir Grand Select 2004 came in at No. 1 in a Pinot Noir blind tasting challenge chaired by the late NK Yong and other wine professionals in Singapore: (yes, beating top names like DRC, Comte de Vogue, Meo Camuzet!). Back at home, he has consistently won many awards for his Pinot Noir, Chardonnay and Gemischter Satz. Most recently Best Pinot Noir with Grand Select Pinot Noir 2013 at the Falstaff Wine Challenge 2016. All his wines are biodynamic.</p> | | | | |
| 1 | Gemischter Satz Bisamberg | 2019 | 50 | From vines in Bisamberg village. No oak. A blend of Pinot Gris, Pinot Blanc and Chardonnay. This is a Viennese traditional wine. These varieties are co-planted in the same vineyard and harvested on the same day to make wine. And all the grapes are co-fermented! i.e. not fermented separately then blended together. This method is only practiced in Vienna and has its own DAC (Austria's AOC equivalent). It's called Wiener Gemistersatz DAC . Fresh, clean and well balanced. Enjoyable now. We actually think this will be more likeable at this stage compared to the full bodied and serious Nussberg Gemischter Satz. Highly recommended! Falstaff 92/100. |
| 2 | Gemischter Satz Nussberg | 2018 | 65 | From the single vineyard called Ulm in the Nussberg hill. Top site! LIMESTONE SOIL - our favourite and KPI for quality wine! Rather closed on the nose. Full bodied and great concentration of ripe citrus and fresh melon. Nutty as the name of the vineyard suggests – Nussberg = Walnut hill! Old vines of about 50 years. Classified as Grand Cru vineyard too! Medium acid and medium + alcohol. Medium long intensity. Drink now with decanting but ideally cellar a few bottles and enjoy over the next 5 to 7 years. At this price, it's a really complex wine worthy of your attention! |
| 3 | " " " | 2017 | 67 | Falstaff 94pts, Wine Advocate 92, Wein Furore 17/20. |
| 4 | " " " | 2015 | 70 | Rated Falstaff 94 pts. Decanter 91 pts and won two Decanter World Wine Awards! Max. 3 per person. |
| 5 | " " " | 2013 | 73 | Very limited. Max. 3 per person. We love this! Highly recommended - good moment to try now! |
| 6 | Gemischter Satz Nussberg Rosengartel | 2017 | 75 | Wieninger's top Grand Cru vineyard for Gemischter Satz. Also on Nussberg hill. As the name suggest, some floral notes. This is a more elegant version of Nussberg Ulm (above). We like this understated version actually. Rated Falstaff 93 pts, Wine Advocate 91pts. |
| 7 | Chardonnay Select | 2017 | 55 | 20% new French oak. Spent about 12 months in oak. Some oak influence on the palate. Ripe citrus and stone fruits. Round and good mouthfeel. Almost full bodied. Medium+ alcohol. Medium acid. A really good value fruity Chardonnay to accompany food. Falstaff 93pts! |
| 8 | " " | 2015 | 57 | A warm vintage for a generous and fruit Chardonnay. Fruit lovers, go for it! |
| 9 | Chardonnay Grand Select | 2018 | 88 | Superb price again for this flagship Chardonnay. Limited to 6 per customer. Typically 60% new oak and 40% used French oak. Bottled without filtration . This is a serious wine. So much fruit and complexity and yet balanced by the fine acidity in the background. Decant it if you plan to drink early. |
| 10 | " " " | 2017 | 90 | 2017 is amazing. Must try! Good ageing potential. Drink now with decanting till 2030. |

| 11 | Pinot Noir Select | 2017 | 56 | Rated 92 by Falstaff. A blend of fruits from 4 vineyards – 3 from Bisamberg and 1 from Nussberg. 20% to 25% new oak depending on vintage. Fine aroma of ripe red fruits and black berries on the nose. Violets. On the palate, ripe red fruits and dark cherries balanced by some freshness and juicy character. Well integrated and fine tannins. Good length. Only about 6,000 bottles produced! |
| 12 | " " " | 2015 | 58 | A warmer vintage = more fruity. |
| 13 | Pinot Noir Grand Select | 2018 | 90 | This is extremely good value. The Pinot Noir Grand Select 2004 was the clear favourite wine of 16 professionals and connoisseurs in a high profile blind tasting in Singapore. They prefer it over top gun Burgs like DRC etc. Smokiness, slight saltiness (minerality), intense ripe fruits, full bodied, round, well balanced and super long. These were the descriptors we used when we tasted it in 2015. Max. 6 per customer. |
| 14 | " " " " | 2017 | 92 | Best grapes from old vines from the vineyards in Bisamberg and Nussberg are used. 50% new French barrique. Matured for 22 months and bottled without fining or filtration . Ripe dark cherries, finely textured with some minerality. Good ageing potential. 13% abv. Rated Falstaff 96 pts! Max. 6 per customer. |

| Heinrich (Burgenland) - <i>biodynamic and organic certified</i> Heinrich is one of the best red wine producers in Austria! In 2013, he won the BEST RED WINE of Austria in the Falstaff Wine Competition with this Alter Berg Blaufrankisch 2011. Rated 5-stars by Falstaff , Austria's leading gourmet and wine magazine. His wines consistently scored above 90 points for his wines! 60 hectares and 99% red wine production. Based in Gols in the Burgenland region. Specialises in single variety Zweigelt (Austria's most popular red variety and a crossing between Blaufrankisch and St. Laurent), Blaufrankisch and St. Laurent (Austria's version of Pinot Noir like variety). Also makes excellent blend like Pannobile and please check out his Gabarinza, a blend of Merlot, Blaufrankisch and Zweigelt. You may not be able to tell this from a Right Bank Bordeaux in a blind tasting! | | | | |
| 1 | Naked Red | 2017 | 38 | Blend of Zweigelt, Blaufrankisch and St. Laurent. This is Austria's best selling red wine! Red fruits and good balance. Perfect on its own or with BBQ. Now with low sulphur - even lower than biodynamic limit! Hence, the term Naked. |
| 2 | Naked White | 2019 | 45 | Chardonnay blend. Naked and unadorned - hence the name. Delicately hazy lemon-yellow. Fragile pear skin, nutmeg and subtle rose petal pair with feathery light tannins and chalky minerality. This is one of the best natural white wines we have tasted! What a yummy juice! Unadulterated pleasure. Note: for best enjoyment, shake before pouring! We are a big fan of this wine. As you can see, we dedicated many words here for it! The term natural wine is applied here 100%. No sulphur added at bottling! Yes, this is as natural as it can be. Printed on the back label. On top of that, Heinrich is a biodynamic producer and this wine is certified Organic. We strongly recommend you to consider natural wines from organic or biodynamic producers. If not, what's the point of being 'natural' only in the cellars but the viticulture is full of chemicals! You will be surprised that some 'natural' wines are made in such a way! |
| 3 | Zweigelt | 2017 | 42 | Austria's most widely planted red wine variety. Medium bodied and fruity red. Ruby colour. The nose yields a dark cherry and blackcurrant aromas. Ripe black fruits on the palate. Good balance and very inviting. Drink on its own or over BBQ. |
