CHAMPAGNE

Champagne Pierre Péters

Pierre Péters is a family-run estate located in heart of the Cote de Blancs region. The most famous grower Blanc de Blancs producer - highly sought after in the U.S. and Scandinavian countries. To be exact they are in the Grand Cru village of Le Mesnil sur Oger where the best Chardonnay in the whole of Champagne is grown! If you are looking for a pure and intense champagne with a strong reputation among connoisseurs, sommeliers and wine professionals, you must try this. Do also check out their prestige cuvee from the **single vineyard Les Chetillons**.

1	Cuvée de Réserve Grand Cru Brut Blanc de Blancs	MV	100	Dosage 6 to 7g/l. WA 92, WS 93, ST91, Vinous 92, AMEX Wine Awards 12/14 – GOLD (twice!). ETA May 2023.
2	Extra Brut Grand Cru	MV	110	Dosage 2g/l. WA 92, Gault et Millau 17.5/20, Vinous 91.
4	Cuvee Speciale Les Chétillons Grand Cru Blanc de Blancs	2015	385	Les Chetillons is a prestige cuvee made from the single vineyard 'Les Chetillons' – one of the best chardonnay vineyards in the whole of Champagne, located in Le Mesnil sur Oger in the heart of the Cote de Blancs. Highly sought after Prestige Champagne now! Served in most top restaurants around the world. Extremely limited!

Champagne Guy Charlemagne

When we visited Le Mesnil sur Oger we were recommended by THE Champagne expert Richard Juhlin to also check out Guy Charlemagne. Their Cuvee Mesnillesime Grand Cru Blanc de Blancs is a serious wine and highly recommended for connoisseurs and collectors.

1	Cuvee Mesnillesime Grand Cru	2002	400	WA 93, The Peak 'G' 2010 – Top 100. Extremely Limited!

ALSACE				
Zind-Humbrecht - biodynamic viticulture (certified by Biodyvin)				
Widely acknowledged as the best producer from Alsace, Domaine Zind-Humbrecht has a strong following among connoisseurs. Helmed by France's first Master of Wine - Olivier Humbrecht, Z-H is the champion of Biodynamic viticulture. Olivier is also the President of Biodyvin, France's exclusive biodynamic association. Since taking over from his father, Olivier has certainly brought this estate to greater heights. 40 hectares, 4 Grand Crus including the Rangen Clos St. Urbain, a monopol. Please don't miss out their Clos Windsbuhl, our favourite vineyard! You can expect highly individual wines, superb intensity and complex wines from Z-H. <i>(For the notes below, Indice 1 is driest while Indice 5 is the sweetest (from about 50g/l RS but the indice is based on taste rather than RS figure.)</i>				
1	Gewurztraminer Turckheim	2020	50	Indice 1. Dry. An dry, elegant and light-bodied Gewurztraminer with its classic rose petals notes and hints of lychee. Its typical peppery bite is also well measured. 2011 vintage won Business Times Top 30 Wines 2014.
2	Gewurztraminer Roche Calcaire	2020	65	Made from a small limestone parcel next to Goldert Grand Cru and using declassified grapes from Goldert and Hengst.
3	Gewurztraminer Clos Windsbuhl	2020	95	Indice 5. Average 50 yrs old vines. Only 40hl/ha yield! Approx. only 52g/l RS. Limestone soil blesses you with Gewurztraminer with good freshness/aciduity. Our favourite Gewurz of ZH! 13% abv.
4	" " "	2009	135	Indice 5. Approx. 62g/l RS. Very limited.
5	" " "	2007	168	Indice 5. Approx. 72g/l RS. 12.5% alcohol. Beyond comparison, a sweet Gewurztraminer par excellence. A powerfully aromatic wine from an ancient cool late ripening vineyard. Will age effortlessly. Drink now till 2030. Limited.
6	Gewurztraminer Rangen Clos St. Urbain Grand Cru	2019/20	132	Indice 5. Approx 52g/l RS. The nose shows all the classic aromas associated with the volcanic soil of the Rangen: flint, light smoke and spices with some complex exotic fruits underlying (mangoes). The palate is big, forceful, intense. The texture and mouthfeel is unctuous, sweet but well defined and displays a long finish. More than any other vineyard, the Rangen also has this rich saline taste that combines so well with the natural tannins. This wine will age nicely
7	Pinot Gris Roche Calcaire	2020	67	Indice 2. Off Dry. Average age of vines of 30 yrs - mainly from Clos Windsbuhl! 13g/l RS. This is a good starting to point for you to know why we love limestone soil (calcaire). This wine retains its airy lightness because it has a crisp acidity, especially on the finish (it is after all a 'baby' Clos Windsbuhl!). The balance is off-dry but the sugars are barely perceptible as the finish is straight and pure.
8	Pinot Gris Clos Windsbuhl	2018	95	2018 vintage produced an Indice 1 - a solid dry PG - medium bodied with good flavour intensit.! These PGs are from 'old vines' in the Clos Windsbuhl , the vines which were planted in 60s and 70s, old enough to be planted with good massal selections and higher vine density.
9	" " " "	2017	98	Indice 1. Approx. 7g/l RS. 2017 was a great vintage produced a PG with purity and precision! Kept 18 months on lees before bottling. When tasted in 2020, it was pretty closed so give it some aeration either with a carafe or opened it earlier before dinner. Very limited.
10	" " " "	2010	122	Indice 2. Off Dry. Approx. 15g/l RS. This is a full bodied and 'powerful' PG. Ripe fruits + good minerality sounds like a good combo! Very limited. FYI - it is always a treat to taste ZH with bottle age.

11	Pinot Gris Rangen de Thann Clos St. Urbain Grand Cru	2020	132	Indice 1 - Approx. 8g/l RS. Perhaps off dry for some. Notes by Olivier Humbrecht MW: <i>'The nose expresses, with almost violence, powerful smoky aromas, gun flint, crushed volcanic rocks... the Rangen characteristic is very present in this wine! The palate is intense, broad and the wine is already superbly expressive. It is difficult to explain the energy of this wine through numbers or words, but it is present, especially on the finish. Very long, this Rangen makes you salivate and becomes very enticing thanks to a synergy between the salified acidity and beautiful bitterness, typical of Rangen's volcanic greywackes.'</i>

16	" " " " "	2010	160	This is amazing. Highly recommended!
17	Pinot Gris SGN Trie Speciale Clos Jepsal (375ml)	2008	167	A fine vintage to make SGN...that's why you got a Trie Speciale this vintage! WARNING: 4.5% alcohol! :) Max. 2 halves per customer. We highly recommend this but if you need other ZH SGNs, please enquire with us. :)
18	Muscat Turckheim	2020	48	Dry Muscat. The way the Alsations drink it. Lovely.
19	Muscat Goldert Grand Cru	2018/2020	96	Indice 1. Dry. Only 3g/l RS. Grand Cru quality. This is arguably one of the best sites in Alsace (and in the world) for Muscat d'Alsace and the production of a dry structured and long lived wine . The limestone also brings a minerality and balance that is essential. When you taste any Muscat by ZH, you will then realise that some Muscat can age...it depends where it is grown and who makes it!
20	Riesling Roche Calcaire	2020	69	Indice 1. Dry (only 2g/l RS). 13% abv. Originates mostly from the village of Gueberschwihr. All seven little vineyards were planted in the 60s and 70s and are located on rich marl-limestone based soils . It is quite a late ripening village, which explains the nice acidities and structure of the wines. <i>'...The finish shows a beautiful ripe acidity presence which enhances the wine serious texture of a great dry wine.'</i> Oliver Humbrecht
21	Riesling Roche Granitique	2020	69	Indice 1. Almost bone dry (<1g/l RS) . Grapes come from declassified Brand Grand Cru. So it's a baby Brand! <i>'Like many 2020s, the power of the vintage brings a certain aromatic austerity, and prolonged aeration is recommended when opening the wine. The mouth immediately reflects the beautiful maturity of the grapes. The aromatic power goes hand in hand with the breadth of the palate. What a wine! The mouth opens with an aromatic expression of granite complexity but also of ripe fruits. The characteristic tannins of the vintage combine with the acidity to give a strict texture on the finish. This is a very dry wine but so charming!'</i> Olivier Humbrecht
22	Riesling Clos Hauserer	2018/2019	79	Indice 1. approx 8g/l RS. The 2018 Clos Hauserer is a stunning Riesling. Superb value. We highly recommend this precise, pure and mineral-laden Riesling. A stunning wine doesn't need to be high priced!

23	Riesling Clos Windsbuhl	2013	127	Indice 1. Dry. 8g/l RS. A classic Riesling. So good we reordered this! Very limited. We have no more new vintages of 750ml Clos Windsbuhl Riesling to sell! Yes, our favourite vineyard of ZH. Limestone soil. Good value for this Riesling with some bottle age. <i>'The finish is very long, but it is more the complexity of the calcareous showing in the wine that makes it remarkable than the sheer weight of the wine. There are some residual sugars, so says the analysis, but I still have to find them! Great ageing potential.'</i> Olivier Humbrecht

30	Riesling Brand Grand Cru (MAGNUM)	2014	257	We love this cool vintage. Classic! Will be long lived especially in the magnum format!
31	Riesling Brand Grand Cru VV	2011	137	Indice 2. Approx 18g/l RS. Slightly sweet. Ripe and intense Brand Riesling here. VV = Vieilles Vignes = old vines of average age of 65 yrs. Extremely limited. Max. 3 per customer.
32	Riesling Brand Grand Cru VV	2010	142	Indice 3 - approx 34g/l RS. Slightly sweet. 'Being one of the last Riesling to finish fermenting, this wine still shows strong fermentation character (lees, slight reduction) and the more pure fruity aromas will take some time to come out. Usually Brand is one of our most aromatic wines and this one will not be an exception. It just requires more time. The palate is model of harmony between a relatively high sweetness and great sharp acidity. This wine tastes much drier than what one can expect in seeing the residual sugar. The finish is long and delicate, with complex citrus and minerals notes. Amazing ageing potential.
33	Riesling Rangen de Thann Clos St. Urbain Grand Cru	2020	132	Indice 1 - medium dry. Super low yield of only 25hl/ha. Approx. 6g/l RS. <i>'The volcanic terroir of Rangen dominates the aromatics of this young wine with all its power: gunflint, crushed rocks... good aeration will eventually bring out an aromatic palette of ripe white fruits. Although still on its reserve, this wine impresses with its complexity. The palate is caressing on the attack, ample, rich, and gradually reveals a powerful finish, warm then strict, especially when the acidity and the ripe tannins of the vintage finally manage to express themselves. This Rangen has a majestic intensity. What a wine!'</i>
34	Riesling Rangen de Thann Clos St. Urbain Grand Cru	2018	137	Indice 1 - dry. Super low yield of only 26hl/ha. Approx. 2.7g/l RS. Medium lemon in colour. <i>'The Rangen vineyard influence is so recognisable here. The nose is intense, smoky, flinty. There is volcanic dust on the nose. We realize that this is just a way of speaking, but this is the feeling one would get by smelling this wine! The wine covers the palate with a rich saline racy texture. This is an intense and long wine. The acidity kicks in on the finish which is also very dry. Fantastic Rangen! And the more time spend to discover it, the more comes out of the glass. It has so much to say...'</i>

35	Riesling Sommerberg Grand Cru	2020	125	Indice 1. Very low yield of about 29hl/ha . Approx. 3g/l RS. Super exciting future for ZH after they acquired this! The Grand Cru Sommerberg extends its very steep slopes above the village of Niedermorschwihr. This biotite granite terroir faces due south . The domaine Zind-Humbrecht was able to acquire a very beautiful little plot in the lieu-dit Dudenstein within this Grand Cru. This small 0.32ha vineyard was replanted with our massal Riesling selection (from old Brand vines) in 2013 and at high density (9500 vines/ha).
36	Clos Windsbuhl Chardonnay	2020	115	No, you did not read wrongly. This is a Vin de Table. 100% Chardonnay from Clos Windsbuhl, our favourite vineyard of ZH. Very limited. Only made in selected vintages. 2010 vintage won The Peak Wine awards! Max. 6 per customer.

BURGUNDY				
Benjamin Leroux - organic (not certified)				
<p>"You may remember that when I asked Allen Meadows, aka Burghound, on this video who he thought might be a <u>natural heir to the late great Henri Jayer</u> of Burgundy, one of the two people he cited was <u>young Benjamin Leroux</u> of Domaine Comte Armand." —Jancis Robinson. Benjamin Leroux is a <u>truly gifted winemaker</u>! He became the GM and winemaker of Comte Armand at a tender age of only 26. He was responsible for the quality improvement we saw there and also for converting it to biodynamic. In 2007, he set up his own company Benjamin Leroux. He has long-term relationships with the growers/farmers that he works with. He pays them by the area of land instead of the quantity of fruit harvested. This allows him to dictate lower yields, ripeness, date of harvest, and so on. He only works with high quality growers who do not use chemical herbicides or pesticides. Most are organic or biodynamic. To him, <u>quality of fruits and terroir</u> are the key determining factors of the finished wines. One would expect much from his reds since he was from Comte Armand (Pommard) but <u>his whites are stunning!</u> Must try!</p>				
1	Bourgogne Blanc	2020	62	Really good basic Bourgogne. Hard to find better...try to believe! Limited quantity of 2019 vintage available at \$65
2	Bourgogne Aligote	2020	57	With climate change, Aligote variety maybe the knight to the rescue. Typically higher acidity and leaner than Chardonnay, now Burg producers are making really good Aligote!
3	Auxey Duresses	2020	79	Highly recommended. Leroux' Auxey Duresses is amazing. Great acidity and freshness. 2019 vintage available at \$82
4	St. Romain 'Sous le Chateau'	2020	85	Good value given the ripe and reliable grapes from this Lieu-dit - Sous les Chateau.
5	Meursault Vireuils	2020	126	Cool site (upper slope) so you know this is a good lieu-dit given climate change!

NUITS ST. GEORGES, BURGUNDY				
Henri Gouges - biodynamic viticulture practice (not certified) The Grandmaster of Nuits St. Georges! Henri Gouges is highly sought after year after year by connoisseurs. With their new winery since 2007 vintage, you will be pleased to know that wines from Gouges do not necessarily mean 'oh, it needs min. 10 years ageing before you approach'. Tannins are softer and with the organic farming, they are also on the average more fresh and ripe across the vintages. Christian and Pierre Gouges have passed the baton to Gregory Gouges, a perfect gentleman yet gifted and conscientious in his work both at the vineyards and winemaking. If you are a Burgundy lover, you must have Gouges in your cellar! Do grab the Les St. Georges as allocation is extremely limited.

Rives Blanques (Limoux)

Looking for **affordable sparkling wines** made using the same methode traditionnelle (champagne method)? Look no further. Rives Blanques is one of the top sparkling wines producer from Limoux, a region in France (outside Champagne) famous for sparkling wines. Their wines won many awards and are served on KLM Business Class. We met them at Sud de France in Montpellier and was very impressed by their quality. So much that we visited them at their domaine after the wine fair. We were so convinced with their quality across their range as well as their philosophy and dedication.

Chateau Thivin (Cote de Brouilly, Beaujolais) - Sustainable Viticulture (Terra Vitis certified) and Organic Certified (for Beaujolais)

Summary: A top producer of the appellation, distinctive volcanic soil (with complex bluish rocks called Diorite) only on the Côte, medium to full bodied, great balance and delicious to drink. Vinify 7 different plots separately! They produce single vineyard wines! Traditional. Côte de Brouilly was first mentioned in a 12th century manuscript. In 14th century, the property was sold to a lawyer named **Thivin**, whose name the Chateau still bears. In 1877, during the middle of the phylloxera ravage, the ancestor of the current owner, Zaccharie Geoffroy, a farmer from Villefranche sur Saone, bought the estate at an auction. Now, under the management of the **4th generation, Edouard** and his **wife Sonja**, both who studied winemaking and viticulture in Switzerland. The Chateau is located on the slopes beneath Mont Brouilly, surrounded by vines. The traditional aspect of the château goes hand-in-hand with impeccable winemaking skills and techniques; the process is laid out on various levels, and is designed to work by gravity, for the sake of the grapes and the wine. A beautiful vaulted cellar of blue stone houses the oak "foudres" (casks) in which the wine matures, and an older cellar beneath the château provides the perfect conditions for laying down the wine once bottled.

1	Brouilly 'Reverdon'	2018	SOLD OUT	WA 92. An excellent value from their Brouilly vineyards.
2	Côte de Brouilly 'Les 7 Vignes'	2018	SOLD OUT	Must try! A blend of the 7 parcels they own on the Cote.
3	Côte de Brouilly 'Clos Bertrand'	2018	SOLD OUT	Single vineyard wine - from the Clos Bertrand plot. Fruit forward, great balance and so enjoyable!
4	Côte de Brouilly 'Zaccharie'	2018	85	Well drained volcanic soil, mixed with clay, easterly and southerly exposure. Mainly from a blend of old vines from La Chapelle and Godefroy. Hand-picking using small tubs to protect the grapes, 13 to 15 days' vinification, pressing with a pneumatic press, a <u>tenth of the ageing is done in new casks</u> and the rest in one- to five-year-old casks. This wine has developed for nine months in the cask.
