## Why Zalto?

- Used by **professionals** and **top restaurants** worldwide!
- **Finer than** Riedel Somm series or Zwiesel 1872 yet **much better priced!**
- In a **blind tasting** in Germany in 2009, Zalto emerged as **the best glass in the Bordeaux, Burgundy and Riesling category** when compared with Riedel and Zwiesel 1872. Judges included Georg Riedel and Gerhard Frank of Schott Zwiesel!
- Just like Riedel Somm series (cost over \$150 per stem), Zalto is also **handmade** and **mouthblown in Austria**. So get as good a quality if not better and pay less than half the price!

Zalto Gravitas Omega – **NEW!** What an art! Made from the Burgundy bowl, this glass allows you to reveal the colour of your wine against the background, let it breathe better and perhaps less easy to knock it down? But may roll over and requires more table space! For the true connoisseurs.....According to Zalto, this ‘precarious balance commands a similar respect for the wine itself.’ What a nice work of art and craftsmanship at only **\$100!**

Carafe 75 as the name suggest allows you to pour a 75cl (1 bottle) into it. **Gently aerate** your wine and **perfect for blind tastings!** Very classy too. Yes, **handmade** and mouth blown too at only **\$100.**
